

THE CHILDREN'S MEDIA CONFERENCE

Proposing a Topic for the Children's Media Conference – 2018

or

Volunteering to be a Session Producer

1. To propose a topic for a session at the CMC, please send us a one-page pitch that answers these questions:

- What is the topic, subject matter or issue?
- In what way is it new or innovative?
- What will the structure of the session be – debate, discussion panel, single speaker, master-class?
- Describe the session in one or two short paragraphs.
- Who might be on your ideal contributor list? Don't approach them until you are green-lit – but who is realistically in your sights?
- Which of the many industry sectors who attend CMC will it attract?
- What will they take away at the end?

Please also indicate if you propose to produce the session yourself, or if you are happy for it to be allocated to someone from our pool of unassigned producers.

Your idea will be assessed by the Advisory Committee at the earliest possible date. The committee meets monthly.

2. To propose **yourself** as a volunteer producer for the CMC producer pool – simply send a CV to Greg Childs.

In both cases please send your submission to:

greg@thechildrensmediaconference.com

And cc Jacqui@thechildrensmediaconference.com
